PART I - REPORTING ON THE ONE-YEAR INDIAN HOUSING PLAN (IHP)

One separate Part I (that includes Tables I and II) must be submitted for **each** open grant.

Grant Number:

Enter the date HUD notified you that your IHP was found in compliance: 9/9/05
(mm/dd/yy)

Is this the final APR for this grant? Check one: yes no

Each year, you develop goals and objectives and performance objectives in the IHP that describe the use of your IHBG funds. At the end of the program year, you report on the progress made towards achievement of them.

1. Please report on each of the one-year goals and objectives **and** report on each of the performance objectives identified in the IHP for this reporting period only in a format as follows:

Note: Goals and Objectives should be reported from inception to the present while the performance objectives should be reported for the reporting period only.

GOAL # <u>2</u>		Goal as identified in the IHP: <i>Reduce overcrowded and homeless conditions in the Indian area by developing 1 multi-family complex. Provide moderate rehabilitation to affordable housing. Provide financial assistance for transition to homeownership.</i>
	Objective # 2.1	Objective as identified in the IHP: <i>Coordinate pre-development activities for multi-family complex.</i>
	Performance Objective # _____	Performance objective relating to the above listed goal and its objective(s) as identified in the IHP: <i>Coordinate pre-development activities with tribal planning, Public Utilities Department, Community Services District, Roads, and Tribal Forestry to determine multi-family locations and infrastructure needs. Meetings held in 8/08 Acquisition of property in service area.</i>

No accomplishment	If no progress was made, explain why not and describe what you will do to complete the activities:

2. Are you on schedule to complete the 5-year goals identified in your IHP?

Check one: yes no

3. If the answer to #2 is no, explain causes for delays and how you plan to modify your program to meet your 5-year goals and objectives.

4. How would you change your programs in general as a result of your experience with the implementation of NAHASDA?

The focus of services needs to be narrowed down to effective operational services. The programs could be condensed so the needs of applicants are met. Standard procedures need to be developed so effective timeline for service delivery is not a hindrance.
