

YUROK INDIAN HOUSING AUTHORITY

EMPLOYEE INTERNET AND ELECTRONIC COMMUNICATIONS POLICY

Company systems application and responsibility agreement

This policy does not anticipate, nor is it desirable that it should anticipate, every situation which may arise with respect to the Company computers and communications systems. Instead, all users are encouraged to carefully consider the actions they take using Company computers and communications systems, and to contact a member of management if they have questions, concerns, or suggestions pertaining to acceptable use of these systems.

I the undersigned employee of the Yurok Indian Housing Authority (YIHA) or its affiliates, in exchange for YIHA providing access to computer and communication facilities, hereby agree to comply with the *Employee Internet and Electronic Communications Policy*.
